Spring Tactical

The Spring Tactical training event sponsored by the Snohomish County Training Officers was held on May 19th at the North County Fire Training Center, with 24 participants in attendance. Special thanks to North County for hosting. Due to the success of this year's event, the Snohomish County Training Officers are considering making it an annual offering.

Officer Development Academy Summary

A subcommittee has been established within the Snohomish County Training Officers Association to support the Officer Development Academy. The group will begin meeting more frequently in order to meet project deadlines set by Project Manager Assistant Chief Chad Crandall.

Health & Safety Cancer Screening

The Snohomish County Health & Safety Officer have set dates for the annual Health & Safety Cancer Screening event. The event will be held at South County Fire's Administration building and the dates for the event will be:

September 8-12

September 15-19

More details to come in the future.
